RE: Onsite Observations: Home Addition Foundation installation
Address: 5720 Reed St.
J2.26 Project #: 21177
Inspection Dates: 10/13/22

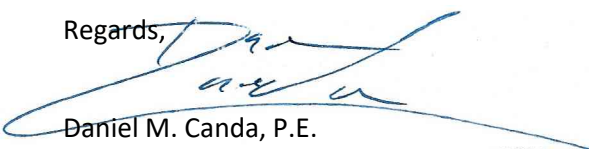

William,

This letter is to confirm the foundations installed to support the southeast addition to the primary home meet or exceed the project requirements as shown in the construction/repair documents.

Final observations were made by me, or by someone under my direct supervision.

Please feel free to contact me if you have any additional questions about this report.

Regards,
