

# DEVELOPMENT PERMIT APPLICATION

Permit Number: DEV23-00018  
 Site Address/Location: 9265 YUCCA LN  
 Subdivison: CANDELAS COMMERCIAL FILING NO. 2  
 Project Description: DA2022-0103B Arvada Kiddie Academy  
 APPLICANT: Brian Halusan

Please enter the job value and review the quantities. Upload document to the permit using [www.arvadapermits.org](http://www.arvadapermits.org).

Job Value (This is for calculating sales and use tax on all public improvements related to this permit only. Sales and use tax is required by law on all materials and equipment incorporated in or used in the performance of the work). The contactor/developer is subject to audits on these taxes. Job value is assumed off of the Engineer's Cost Estimate which was: **Need to provide job value here (\_\_\_\_\_)**.

The following quantities have been added based on the signed construction plans, please review. Use tax will be charged once the approved job value has been added. Traffic control plan review fees will also be added once the plan has been reviewed. These quantities are subject to change.

FEES
