DEVELOPMENT PERMIT APPLICATION

Permit Number: DEV23-00021
 Site Address/Location: 7900 CARR DR
 Subdivison:
 Project Description: DA2023-0009 Meyers Pool Replacement
 APPLICANT KIM VAGHER C/O CITY OF ARVADA (720) 898-7681

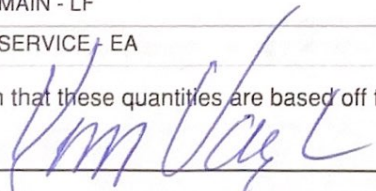

Please enter the job value and review the quantities. Upload document to the permit using www.arvadapermits.org.

Job Value (This is for calculating sales and use tax on all public improvements related to this permit only. Sales and use tax is required by law on all materials and equipment incorporated in or used in the performance of the work). The contractor/developer is subject to audits on these taxes. Job value is assumed off of the Engineer's Cost Estimate which was: **\$0.00**

The following quantities have been added based on the signed construction plans, please review. Use tax will be charged once the approved job value has been added. Traffic control plan review fees will also be added once the plan has been reviewed. These quantities are subject to change.
